## Bags that carry more than just sweets.

*They carry your brand, your trust, and a moment worth remembering.*

Mahalaxmi Flexible Packaging is the manufacturing hub behind multiple packaging brands, delivering innovative and high-quality packaging solutions for food businesses across India. The group operates through four specialized brands. Mbags was created specifically for sweet shops, bakeries, and premium food businesses who understand that presentation is half the product. From the festive mithai bag that anchors a gifting season to the everyday bakery carry bag that builds daily loyalty, every Mbag is crafted in food-safe, durable non-woven fabric — available in custom sizes, colours, and printed branding.

### WHY CHOOSE MBAGS

- 20+ Years Packaging Experience
- 100+ Businesses Served
- Pan India & Global Distribution Network
- Eco-Responsible Non-Woven Fabric

### BOX BAGS COLLECTION

*Box bags engineered for sweet shops, bakeries, QSR & premium food gifting*

#### TYPE 01

##### NON-WOVEN BOX BAG

*Flat base, gusseted box structure in durable polypropylene non-woven fabric. Reusable, food-safe & regulation-compliant alternative to plastic carry bags. Ideal for everyday sweet shop & bakery carry. Available in all colours with full logo print.*

#### TYPE 02

##### BOPP LAMINATED BOX BAG

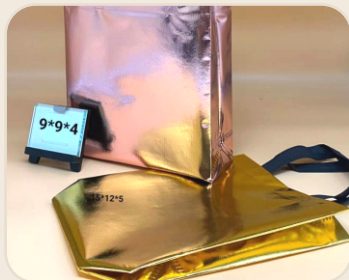

*Non-woven base with a clear BOPP film laminate on outer surface. Delivers a glossy / matt premium finish with excellent print vibrancy. Water-resistant outer layer. Best for branded gifting & festive mithai carry.*

#### TYPE 03

##### METALIZED BOPP BOX BAG

*Mirror-finish metallic outer surface. Maximum shelf appeal & premium gifting feel. Ideal for Diwali, wedding season & luxury mithai brands that want their bag to stand out on the shelf and in photos.*

### Insulation & Flip Seal

High-performance bags engineered for temperature-sensitive food and premium closure requirements

#### TYPE 04

### INNER INSULATION BOX BAG

Box bag with an integrated inner insulation lining that maintains temperature — both hot & cold. Keeps sweets, mithai, ice cream & hot bakery items fresh during transit & delivery. Outer bag has full print capability; inner lining of silver foil / BOPP insulation. Critical for QSR delivery, ice cream carry & premium mithai gifting during summers & winters.

#### TYPE 05

### FLIP SEAL BOX BAG

Box bag with a fold-over flap and press-seal / velcro closure. No twist-tie or rubber band needed — the bag seals itself. Ideal for bakeries, dry fruit shops & premium sweet chains that want a clean, re-closable presentation. Available in non-woven and BOPP laminated variants with full print.

MAKE IT YOURS

### Fully Customisable

Every Mbag can be tailored to your brand identity. From the colour of the fabric to the placement of your logo — you control how your customers carry your brand.

#### Fabric & Finish

Non-woven in 8+ colours (matte / gloss). BOPP & Metallized BOPP lamination for gloss or mirror finish. Inner insulation lining in foil or bopp options.

#### Print & Branding

Single to full-colour print on all bag types. Screen print for clean logos; flexo for detailed festive art. Metallized bags support foil-style print highlights.

#### Size & Handle

Box structure in standard or custom dimensions. With or no-handle options. Flip seal flap with velcro or press-seal on request.

#### GSM & Bag Type

Non-woven: 60 / 80 / 100 GSM. BOPP & Metallized: laminate thickness options. Insulation bags: foil-lined or bopp-lined inner. Mix types in one order.
