"We don't just manufacture packaging—we engineer the first impression your customer ever gets of your food."

Founded in **Delhi in 2002** by Nitin Maheshwari, Mahalaxmi Flexible Packaging began as a food packaging trading company and has grown into **India's one of the most comprehensive food packaging company** — manufacturing eco-friendly paper boxes, carry bags, rigid PET jars, injection - moulded crystal packaging etc. for QSR, Bakery, Sweets shop and restaurant packaging solutions.

With our 3 manufacturing facility in Ghaziabad (U.P.) and a national distribution network, we serve sweet shops, bakeries, cloud kitchens, QSR chains, fine dining restaurants, catering companies, and institutional buyers across India — and are expanding into the **U.S., EUROPE, UK, and MIDDLE EAST.**

2002 **FOUNDED IN DELHI**

Plastic Food Packaging, First Clients

2010 **NON WOVEN BAGS LAUNCHED IN INDIA**

Plastic Ban opportunity Captured

2017 **PET JARS LAUNCHED TO SEGMENT**

Change packaging concepts in segment

2020 **MPACKS BRAND LAUNCH**

Eco-Friendly paper packaging brand established.
Pan-India distribution begins.

2023 **RS ADDED**

Crystal Packaging brand added to network Sales

2026 **MJARS & MBAGS**

Both Jars & Bags added to the network sales.

FLOWER CAP PET *Jars* SERIES

Introducing our premium Plastic PET Jar, designed specifically for food packaging with an elegant twist. Featuring a durable and transparent body, this jar showcases your products beautifully while ensuring freshness and safety. The highlight is its unique flower-shaped lid, combining functionality with aesthetic appeal, making it perfect for sweets, chocolates, dry fruits, and other confectionery items.
