CHANNEL PARTNER

*"We don't just manufacture packaging—we engineer the first impression your customer ever gets of your food."*

Founded in **Delhi in 2002** by Nitin Maheshwari, Mahalaxmi Flexible Packaging began as a food packaging trading company and has grown into **India's one of the most comprehensive food packaging company** — manufacturing eco-friendly paper boxes, carry bags, rigid PET jars, injection - moulded crystal packaging etc. for QSR, Bakery, Sweets shop and restaurant packaging solutions.

With our 3 manufacturing facility in Ghaziabad (U.P.) and a national distribution network, we serve sweet shops, bakeries, cloud kitchens, QSR chains, fine dining restaurants, catering companies, and institutional buyers across India — and are expanding into the **U.S., EUROPE, UK, and MIDDLE EAST.**

**2002** **FOUNDED IN DELHI**  
Plastic Food Packaging, First Clients

**2010** **NON WOVEN BAGS LAUNCHED IN INDIA**  
Plastic Ban opportunity Captured

**2017** **PET JARS LAUNCHED TO SEGMENT**  
Change packaging concepts in segment

**2020** **MPACKS BRAND LAUNCH**  
Eco-Friendly paper packaging brand established.  
Pan-India distribution begins.

**2023** **RS ADDED**  
Crystal Packaging brand added to  
network Sales

**2026** **MJARS & MBAGS**  
Both Jars & Bags added to the  
network sales.

FOUR BRANDS. ONE COMPLETE ECO SYSTEM.

# Our Brand Family into Channel Sales

# Packaging Crafted for *Every Cuisine*

We understand that a Dosa box is not a Burger box. A truffle cake demands different packaging from a street-style cupcake. Our creative and design team develops custom packaging that speaks the visual language of your cuisine, your brand, and your customer.

# Pan India & Global Presence

STANDARDS & CERTIFICATIONS

# Quality You Can Trust.

Standards that guarantee food safety.

### FSSC 22000

Food Safety System Certification. Global standard for food safety management throughout the supply chain. Ensures our packaging is safe for direct food contact.

### ISO CERTIFIED

International Organisation for Standardisation. Quality management systems conforming to global manufacturing and process standards.

### MAKE IN INDIA

Proudly manufactured In India. All our core products are designed and produced at our Ghaziabad facility, contributing to Indian manufacturing excellence.

### FOOD-GRADE & BPA-FREE

All materials—paper, PET, PP, Crystal—are food-grade certified. No harmful chemicals, no migration risk. Safe for direct food contact.

## OUR QUALITY PROMISE

### LAB TESTED

Every batch tested for food safety and structural integrity

### ECO CONSCIOUS

Paper, PET and non-woven materials—recyclable

### 23+YRS TRUST

Serving 500+ clients across India with consistent quality

**MAHALAXMI**
