

# Versatile solutions for Innovative Packaging

Product Catalog 2024

# About Us

Welcome to RS, a distinguished brand with decades of experience, unwavering commitment to customer satisfaction, and a focus on continuous product innovation in the plastic industry. Our products, meticulously crafted from 100% virgin plastic, reflect our dedication to quality and environmental responsibility. Setting us apart is our state-of-the-art in-house tool room facility, ensuring only the highest quality finished products leave our factory, embodying our commitment to excellence.

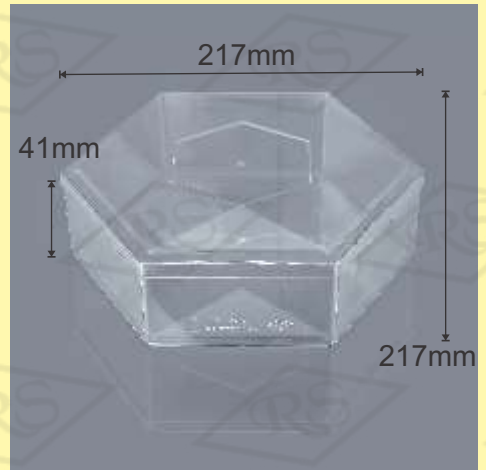

Established in 2000 in New Delhi, RS has become a trailblazer in plastic, crystal, and IML product manufacturing, and exports. Our diverse range caters to packaging and corporate promotion across various industries. Fuelled by a skilled workforce and supported by a robust & friendly marketing team, we thrive on innovative ideas, a widespread distribution network, and an unwavering commitment to delivering great value for money alongside top-notch product quality. Welcome to a world where experience, dedication, and innovation converge to shape the future of plastic solutions.
